

Pray for our World Concern Partners

David and Bev Meldrum write:

- 1) David's health – for recovery and healing.
- 2) For finalisation of Keanue's and Jenica's adoptions to come through! This could be any time soon or much longer. Please pray it's soon!
- 3) We are thankful to be able to say that St Peter's continues to be in a relatively stable place. There is a clear sense of spiritual and relational depth around the various aspects of the church community. We are very thankful to God for this. Like many churches and NGO's at the moment, we face budget challenges, so please join us in praying for God to provide for the church's financial needs through the giving of members (though we are not a large church, and many are not financially secure, so this is a stretch for many of them), and any other way God sees fit!
- 4) Bev's business (Grow Recruitment, a Youth Recruitment agency) continues to look promising but be just falling short of being able to pay her salary. Please pray we get past this tipping point soon – it feels like we've been close to this for a long time. Bev is very stretched time and capacity wise, so it would be great to see some breakthrough here and the pressure lift from her.
- 5) We have found ourselves supporting and assisting a number of people in our circles who are experiencing very challenging work situations where they as individuals are being bullied or mistreated by a large company. We engage our lawyer where appropriate, and provide pastoral support to the individuals, who are all vulnerable or potentially marginalised in some way. Please pray God brings about justice for these people.
