REDEARTH UGANDA

PRAYER POINTS

- That our work from this summer in Uganda and Rwanda is continued.
- For my next few months at work to be purposeful and have an impact.
- For God's guidance as I prepare to move to Uganda, and continued reassurance that this is the right step to be taking.
- That security checks, visas etc. go through smoothly.
- Support from work in taking a year out.
- For clarity in terms of finances and timings.
