

Church Weekend Away

Would you be interested in a church weekend away? We have had some quotes from possible venues for a Friday evening to Sunday afternoon in early or late 2020, which would keep the costs lower than the summer months.

We are looking at venues that are not too far to travel to and that would be able to give us a room for meetings and another room for children's activities. The costs vary as we have looked at Hotels and Centres that cater for group weekends away.

For example The MacDonald Cardrona Hotel, Peebles which is obviously more expensive can offer us full board en-suite accommodation for approximately £220 per person. Children would pay for meals only if sharing in a family room.

The Atholl Centre Pitlochry can offer us some en-suite accommodation, the rest non en-suite and full board for £130 per person. Children would pay a percentage of the full cost dependant on their age.

Please could you indicate your interest by completing the form below.
