Coming Out of Lockdown – Legal Requirements

Since Easter, it has been great to gather for worship together on Sundays.

However, we remain under some difficult restrictions –

- We are limited in how many can be present in our building
- We must maintain social distancing of 2m
- We must ensure that surfaces are regularly sanitised
- Congregational singing is not permitted
- The law says we must require people to wear masks

We remain hopeful that as we go through summer, some or all of these restrictions will be lifted. For now, they remain law and we must follow them, or risk intervention by the authorities. If we had an outbreak focussed on St T's, we

would run the risk of our in-person worship being stopped. It is therefore essential that we abide by the regulations as best we can, believing that they will help keep everyone safe and confident to worship with us.

A few weeks ago, a visitor to the congregation wore a lanyard indicating that they were exempt from wearing a mask. That was a helpful indicator and put others at ease, so we ask that those who can't wear masks do the same. It helps others who worry about this and means that awkward questions are avoided!

Please go to <http://exempt.scot/> to find out more.

St Thomas' World Concern: If you have a member log-in for the St Thomas' Church website, you will now be able to find monthly prayer updates from our mission partners and other mission and international news for prayer. Click on "updates" on the World Concern menu. If you don't have a log-in and would like one, please contact the office.

Volunteers: While we recognise that many among us need not to be too tied to volunteering duties, we should also be aware that will make restarting some of our ministries before the summer quite tricky. One example is the 'F.A.S.T. Club' which was piloted at Christmas time. It might be that we need to take our time to focus on putting together a strong programme and team for an August holiday club, which might then serve as a launch pad for the F.A.S.T. Club. I encourage you to prayerfully consider through the summer how to re-engage, how to serve, and how to give of your time. Many of us have had a year off serving at St Ts'. Once we have enjoyed the returning freedoms, we will all need to work together to help rebuild our fellowship, perhaps in new ways.

for our prayer

Give thanks for the **F@ST Club** for children on Friday afternoon this week. Pray for Phil Taylor and the team as they prepare, for a growth in numbers, continued resourcing, and much enthusiasm!

Pray for **Rob Hyder** and **Delia** as Rob recovers from surgery – for healing, grace, and strength.

For **Helen Eberstein** – for continuing recovery.

Pray for **the people of St Silas', Glasgow** following the death of Esther Brown, a retired missionary and senior member. A 30-year-old man has now been charged with rape, murder, and robbery. Pray for the clergy as they listen to and pray with the many people in the church and locally who are grieving and pray for the Lord's love and peace to be proclaimed. The council are being helpful as an outdoor service for the community to grieve is being planned. Pray that the Gospel will be proclaimed.

Pray for **Angela Benzies' mother**, who is in hospital in Belfast and for Angela as she offers care and support to the family.

For **David Harvey**, who continues to suffer from a very painful damaged shoulder – for healing and patience.

Cath Murray: Her new address is Windsor House, Victoria Manor, 63 Albert Street, Leith, EH7 5LW. Let's continue to remember Cathy in prayer.

Pray for all **those who have been scammed by fraudsters** – a pensioner friend of mine had this happen to him a few weeks ago and has lost tens of thousands of pounds. Pray for thorough investigation and restoration of that which has been lost.

Pray for **those who are in their last days of life** – that they will know God's peace and comfort.

Continue to pray for the **governments in Westminster and Holyrood** as they make difficult decisions which must consider balancing the needs for mental, physical, and economic health – pray that we will see a halt in exponential growth of Covid infections and that all who desire vaccination will receive it soon.

Pray for **all who travel** this week – for safety.

Pray for **opportunities for all of us** to show and tell others about the Good News of Jesus this week.
