WHATSAPP PRAYER GROUP: This is an invitation to all of the St Thomas' family to join a new WhatsApp Prayer Group. This will run alongside the rest of the Prayer Ministry and will be primarily for quick prayer requests for friends and family.

It is not the intention that there will be a lot of 'chat' or messaging within the group. Anyone wishing to respond to any prayer request will be encouraged to respond directly to the individual concerned.

The group's administrators will be Linda Henderson and Anne Grant. For more information, please contact either of us. If you would like to be part of this group please let Linda know, on 07891 059233.

If you would prefer to have prayer ministry by Zoom or Skype, or by phone, please contact the ministry team on sttsprayer@gmail.com you can also contact us on this email if you would simply like the ministry team to pray about something; for instance, if someone in your family is ill.

Coming Out of Lockdown – Legal Requirements

Since Easter, it has been great to gather for worship together on Sundays.

However, we remain under some difficult restrictions –

- We are limited in how many can be present in our building
- We must maintain social distancing of 2m
- We must ensure that surfaces are regularly sanitised
- Congregational singing is not permitted
- The law says we must require people to wear masks

We remain hopeful that as we go through summer, some or all of these restrictions will be lifted. For now, they remain law and we must follow them, or risk intervention by the authorities. If we had an outbreak focussed on St T's, we would run the risk of our in-person worship being stopped. It is therefore

essential that we abide by the regulations as best we can, believing that they will help keep everyone safe and confident to worship with us.

A few weeks ago, a visitor to the congregation wore a lanyard indicating that they were exempt from wearing a mask. That was a helpful indicator and put others at ease, so we ask that those who can't wear masks do the same. It helps others who worry about this and means that awkward questions are avoided! Please go to <http://exempt.scot/> to find out more.

St Thomas' World Concern: If you have a member log-in for the St Thomas' Church website, you will now be able to find monthly prayer updates from our mission partners and other mission and international news for prayer. Click on "updates" on the World Concern menu. If you don't have a log-in and would like one, please contact the office.

Volunteers: While we recognise that many among us need not to be too tied to volunteering duties, we should also be aware that will make restarting some of our ministries before the summer quite tricky. One example is the 'F.A.S.T. Club' which was piloted at Christmas time. It might be that we need to take our time to focus on putting together a strong programme and team for holiday club, **9th – 13th August**, which might then serve as a launch pad for the F.A.S.T. Club. I encourage you to prayerfully consider through the summer how to re-engage, how to serve, and how to give of your time. Many of us have had a year off serving at St Ts'. Once we have enjoyed the returning freedoms, we will all need to work together to help rebuild our fellowship, perhaps in new ways.

REQUEST FOR RECYCLING JUNK – please leave any recycling that could be used for modelling for the F@ST holiday club in the box in the church corridor by **2nd August**. Alternatively it can be brought to the church office during opening hours. *Thank you. Phil Taylor*
